white square

White Square is one of the international creativity festivals recognised throughout the world, which contests cover the entire spectrum of the communications industry.

For more than 15 years White Square Festival has been promoting creativity, supporting fresh ideas and uniting people in the communications industry around the world.

Every year agencies and brands from more than 35 countries, including Europe, USA, China, MENA region, CIS countries, Asia, Latin America and others, take part in the Festival, demonstrating innovative solutions and ideas that change the world for the better, in return receiving inspiration for development and professional evaluation by the international jury of the Festival.

The awards of the Festival are highly appreciated by agencies and authors of creative projects all over the world, as the participants receive professional evaluation by the international jury and inspiration for development in the creative industry.

white square
